

cipo cara van

On November 8, 2010
CIPO-VAN launched
the cipo-caravan, an
epic bike ride from
Vancouver, Canada to
Oaxaca, Mexico.

The purpose of the cipo-
caravan is to raise awareness
and build community around
the projects and struggles of the
**Consejo Indigena Popular de
Oaxaca - Ricardo Flores Magon** and of
migrant agriculture workers in Canada.

Come learn and discuss about these issues,
and be part of this crazy project!

Bikes and revolution!
